

ST. VRAIN VALLEY SCHOOLS
academic excellence by design

July, 2020

Welcome to St. Vrain Valley Schools! We are thrilled to meet you and welcome you to our community.

Please plan on attending ONLINE New Teacher Orientation (NTO) on August 6, 7 and 10. We have planned a differentiated, high-quality event to support you in your transition to St. Vrain. We will kick off NTO with a YouTube Live Premier featuring our Superintendent, Dr. Don Haddad and Deputy Superintendent Dr. Jackie Kapushion. Their vision and passion for public education and teachers will energize our start to the day and the year.

The objective for our time together is to equip you with the knowledge necessary to be successful during your first few weeks of school. Topics presented will include district curriculum and resources, district technology, as well as developing protocols and procedures to manage your classroom for success. Sessions are differentiated by grade level, content area, and years of experience. We ask that you arrive on time for each online session. If you are unable to attend a session or day, please notify your building principal and contact Linda Lang in the Office of Professional Development (303-702-8251 or Lang_Linda@svvvsd.org).

Attendance at New Teacher Orientation is a requirement for all newly hired licensed staff, regardless of previous experience. Please see the enclosed instructions for accessing New Teacher Orientation.

You will pick up your devices from District Technology Services (DTS). You will receive an email from them with directions to schedule your individual appointment.

We look forward to meeting you and working with you. We know that providing you with support and resources are essential for a successful first year in our district.

Best regards,

Dr. Diane Lauer
Assistant Superintendent of Priority Programs and Academic Support
